BroncoBot Hello, How may I help you ?

BroncoBot

Students are admitted to the MSIS program for the FALL, WINTER, and SPRING quarters. The corresponding deadlines are: April 1- Deadline for applicants (international & domestic) who want to be considered for scholarship. Applications must be submitted with all required documentation. Applications submitted but missing required documentation, will not be reviewed in this first round and candidates will not be considered for scholarship. May 1 - Final Deadline for Fall without scholarship consideration October 15 - Final Deadline for Winter without scholarship consideration January 20 - Final Deadline for Spring without scholarship consideration [Click here for more information](#)
